ETS Webinars

Educational Technology Services (ETS) Support team will continue to conduct 30 - 45 minute live webinars on a range of topics related to centrally supported educational technologies. These short sessions are a good way to get a quick demo of the tool and get answers to all the related questions. Some sessions may also include some quick tips and use cases by our Education Focussed Academics.

There are no more sessions for the year 2020.

Our next session details and topics will be published shortly. Till then please visit and follow our MS Stream channel.

LET’S Meet T3 2020

As we approach the start of Term 3, the PVC(E) ETS team is glad to announce our next LET’S Meet for T3 2020. Similar to Term 2, sessions will be in webinar format spread across the week via Microsoft Teams. We will continue to tailor our sessions to focus on helping academics to get acquainted with teaching online.

To help with this, sessions will include an extensive range of centrally supported Educational Technologies including: Turnitin, H5P, Echo360 Universal Capture, Moodle Quiz, Media services, Inspera pilot and more.

This will be a great opportunity for UNSW staff to get an expansive walk-through of these tools and learn or ask about various use cases and scenarios.
Date: Monday 31st August 2020 to Friday 4th September 2020  
Time: Daily at 10am to 11am and 2pm to 3pm

Below are the session details with a link to join the respective Teams session. For the sessions you are interested in, please download and drag the respective calendar placeholder(.ics file) to your outlook calendar from this SharePoint folder.

All the sessions were be recorded and will be available on our MS Stream channel LET’S Meet Term 3 2020.
