As we approach the start of Term 3, the PVC(E) ETS team is glad to announce our next LET’S Meet for T3 2020. Similar to Term 2, sessions will be in webinar format spread across the week via Microsoft Teams. We will continue to tailor our sessions to focus on helping academics to get acquainted with teaching online.

To help with this, sessions will include an extensive range of centrally supported Educational Technologies including: Turnitin, H5P, Echo360 Universal Capture, Moodle Quiz, Media services, Inspera pilot and more.

This will be a great opportunity for UNSW staff to get an expansive walk-through of these tools and learn or ask about various use cases and scenarios.

**Date:** Monday 31st August 2020 to Friday 4th September 2020  
**Time:** Daily at 10am to 11am and 2pm to 3pm
