LET’S Meet T2 2020 Webinars

As we approach the start of Term 2, the PVC(E) ETS team is glad to announce our next LET’S Meet for T2 2020. Sessions will be in webinar format spread across the week via Microsoft Teams.

With UNSW’s plan of moving all courses online for Term 2, we have tailored our sessions to focus on helping academics to get acquainted with Teaching Remotely. To help with this, sessions will include an extensive range of centrally supported Educational Technologies including: Turnitin, H5P, VoiceThread, Moodle Quiz, Leganto, Moodle Gradebook and more.

This will be a great opportunity for UNSW staff to get an expansive walk-through of these tools and learn or ask about various use cases and scenarios.

Date: Monday 11th May 2020 to Friday 15th May 2020
Time: Daily, 10am to 11am and 2pm to 3pm

Below are the session details with a link to join the respective Teams session.
For the sessions you are interested in, please download and drag the respective calendar placeholder (.ics file) to your outlook calendar from this SharePoint folder.
