Following on from the successful launch, PVCE ETS team is proud to present first session of **LET’S (Learn Educational Technology Services) Meet** for 2020.

This time it will be a single day event, packed with hands-on workshops. Sessions will be focused on walking you through from setting up a course to setting up assessments and collaborations to using other various engagement and interactive tools. We will also be running demo of our highly anticipated support initiatives, **A.I.D.E** the chatbot and Virtual Drop-In.
All these sessions will be run by our in-house SMEs. Please remember to **bring your own laptop** for the session.
