

Professional Development

Here you can find professional development programs, events and initiatives in education for UNSW staff:

Programs

Find out more...

Beginning to Teach (BTT) Program

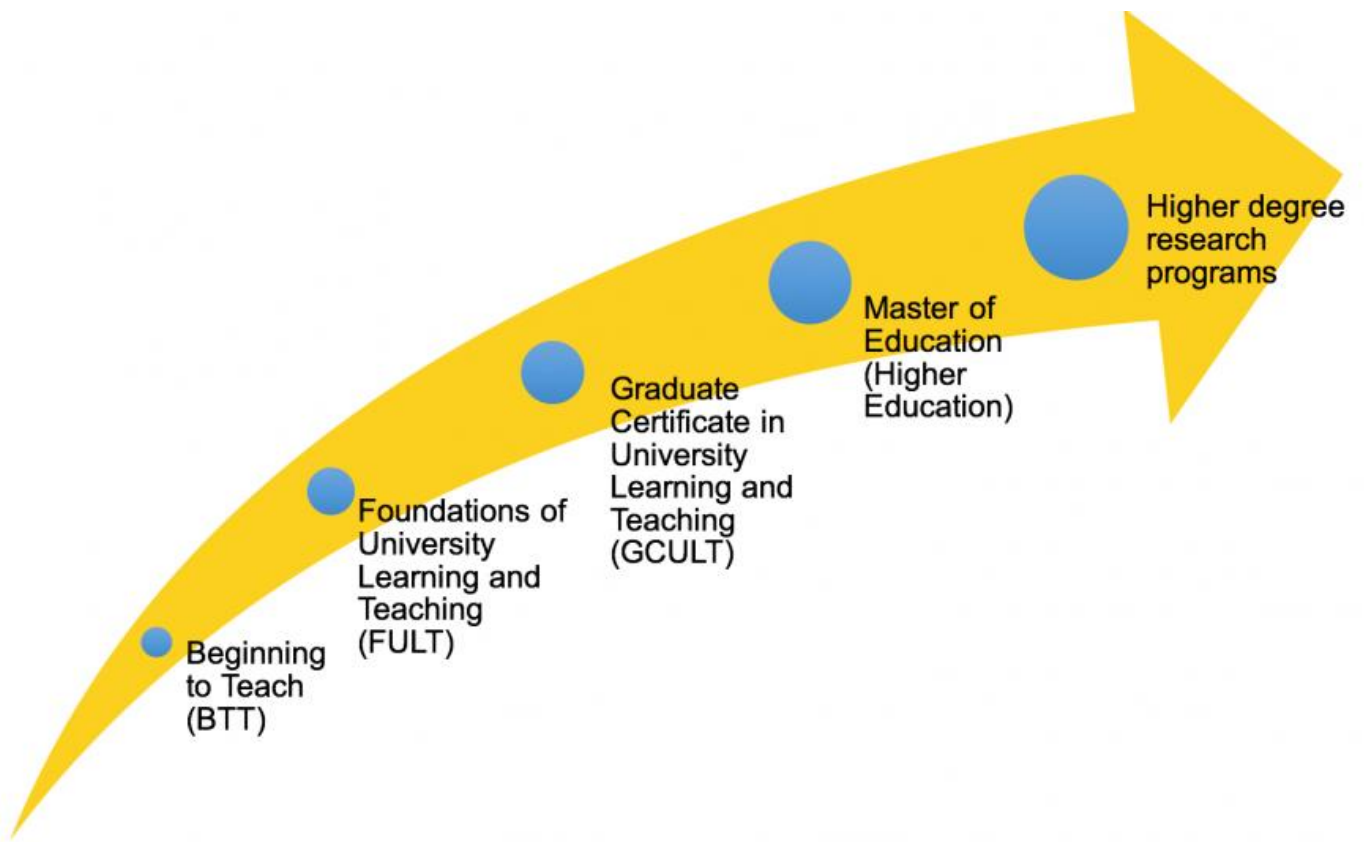

This program is designed to develop the teaching capability of UNSW Early Career Researchers (ECRs) and Higher Degree Research candidates (HDRs) with little to no experience of teaching. Managed by the PVC(E) Portfolio.

Find out more...

Foundations of University Learning and Teaching (FULT) Program

The FULT program is offered to UNSW teaching staff who wish to develop their practice by exploring a range of perspectives, ideas, theories, and practical approaches to learning and teaching in the higher education context. Managed by the PVC(E) Portfolio.

Find out more...

Further studies in Higher Education

Further studies in Higher Education are available which offer university teachers the opportunity to reflect on educational theory and student learning research from the perspective of their own teaching experiences. Some of these programs are managed by the School of Education.

Events

Find out more...

Connections Seminars in Learning and Teaching

Peer-to-peer sharing of best practice, innovation and ideas in university learning and teaching. The seminars are open to all staff and provide a forum to share ideas and get feedback on practice and research.

Find out more...

Learning and Teaching Forum

The Learning and Teaching Forum is an annual platform for UNSW academics and the UNSW community to share best practice in learning and teaching.

Find out more...

Inspired Learning Summit

The Inspired Learning Summit (ILS) is an annual event that celebrates educational innovations and partnerships enriching education at UNSW.

The logo for Scientia Education Academy features the text 'SCIENTIA EDUCATION ACADEMY' in a bold, sans-serif font. 'SCIENTIA' and 'ACADEMY' are in white, while 'EDUCATION' is in a gold color. The text is set against a dark background with abstract, overlapping circular shapes in shades of grey and black. A thin vertical gold line is positioned to the left of the text.

SCIENTIA EDUCATION ACADEMY

Find out more...

SEA Lecture Series

The monthly Scientia Education Academy (SEA) Lecture Series highlights the innovative educational practices of our outstanding educators who inspire our students to achieve great outcomes both in their studies and future careers.

Find out more...

Education Focussed (EF) Lunch & Learns

Open to all staff, EF Lunch & Learns are hosted by a different faculty on a monthly basis and are designed to showcase the innovative work being carried out by passionate EF academics. They also feature a session centred on teaching and professional skills.

Find out more...

LA-EDS Research Group Meetings

The UNSW Learning Analytics & Data Science in Education Research group hold meetings regularly throughout the year for academics and professional staff interested in the area of learning analytics and data science in education.

See also

Find out more...

Academic Mentoring

Academic Mentoring at UNSW is an evidence based approach to mentoring that aims to build successful mentoring relationships across the institution. There are a suite of resources available to assist mentors and mentees on their mentoring journey, using an easy step-by-step process.

Find out more...

Education Focused Careers

Education Focused Careers offer a new career path for academics who are talented and passionate teachers and are key to the enrichment of the student experience at UNSW.

Find out more...

Grants, Awards and Fellowships

The process and acknowledgement of applying for grants, awards and fellowships are important ways to develop professionally and to promote and support the enhancement of learning and teaching at UNSW and across the higher education sector. Click to learn more about the support offered and how to apply.

Find out more...

Academic promotion - Building your teaching case

Resources on how to build your teaching case for academic promotion by putting forward a case for teaching, research and service.

Find out more...

Support for Sessional Staff

Speak to your faculty contact for more information around support for sessional staff. Some faculties also offer discipline specific support for sessional staff. There are also resources available which help sessional staff tackle the key areas and issues related to teaching and learning.

Find out more...

Peer Review of Teaching

Becoming a peer reviewer can also contribute to your professional development. In 2019, peer review is a requirement for staff applying for academic promotion (excluding research only academics).

Find out more...

Educational Technology Support

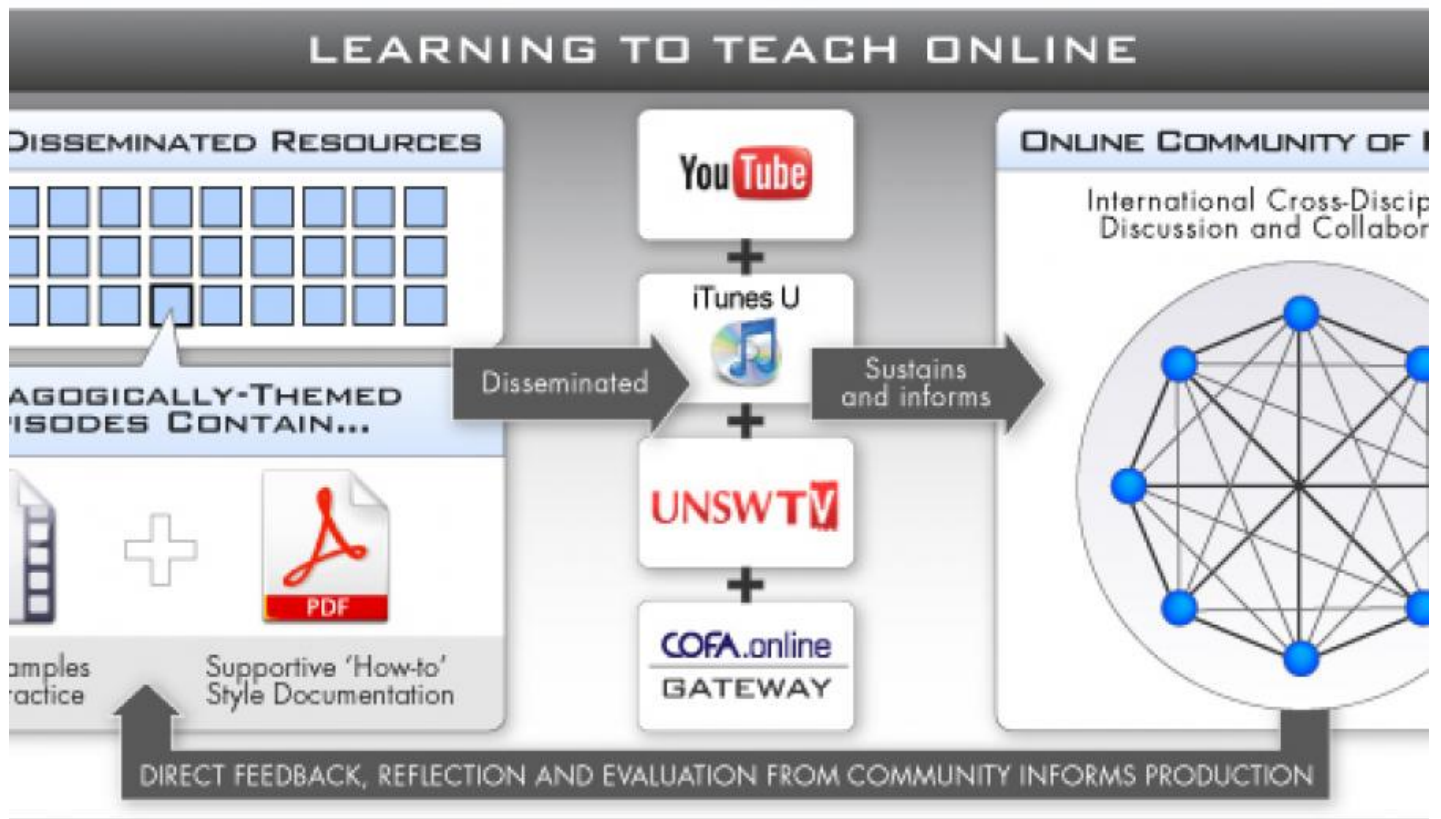

Online courses, resources and how to access support for technology enabled learning and teaching such as Moodle and mediaUcreate.

Find out more...

Networks, Groups and Communities of Practice

There are a growing number of both formal and informal communities of practice, groups and networks in learning and teaching at UNSW. These communities are formed around a shared area of interest in learning and teaching.

Find out more...

Learning to Teach Online MOOC

The Learning to Teach Online (LTTO) MOOC will help you develop a working understanding of successful online teaching strategies that you can apply in your own practice.

- Consult your **Faculty** contacts for further opportunities, advice and support specifically related to your discipline
- The UNSW **Culture and Development Unit**, as part of UNSW Human Resources, offer career development courses, seminars and other initiatives
