In light of recent events surrounding COVID-19, the PVCE Portfolio have developed a webpage to assist UNSW teaching staff with resources and guides to support them in teaching remotely. While there are many ways that classes can be continued online, this site provides you with a guide on using some of the centrally supported tools and services.

Through the continual updating of resources on this webpage, the university stands by you in this time of uncertainty, providing you with the reassurance you need to continue teaching at the high standards UNSW is reputed for.
