Announcement: 20 March 2020
Following the announcement of our University’s decision to cease all face-to-face teaching in response to COVID-19, the PVC (Education) Portfolio developed and launched a dedicated ‘Teaching Remotely’ SharePoint Site to help UNSW teaching staff quickly shift from face-to-face to online teaching. While there are many ways that classes can be continued online, this site provides staff with a guide on using some of the centrally supported tools and services.

Find in this section information and resources on teaching and assessment practice, approaches, strategies, contexts, challenges and evaluation:
