Published: 24 March 2020

As a coordinated attempt to try and limit the spread of COVID-19, and in light of ceased face-to-face activities including teaching, many of the upcoming events have been modified. This news page provides up-to-date information on upcoming education events organised or supported by the PVCE.

We encourage you to keep sharing information within the UNSW community related to events being delivered online or postponed. For more details on UNSW’s response to COVID-19, please see the UNSW website.
