You can self-enrol into these course sites using the enrolment keys provided:

- [Discover Moodle](#) - Enrolment key: **Discover_Moodle**
- [Moodle Makeover Course - Before](#)—A demonstration site illustrating common mistakes people make when setting up their Moodle course. Compare this course to the "Moodle Makeover Course—After". Enrolment key: **Before Makeover**
- [Moodle Makeover Course - After](#)—A demonstration site to illustrate best practice in setting up a Moodle course. Compare this course to the "Moodle Makeover Course—Before". Enrolment key: **After Makeover**

Selecting Technologies page

The **Selecting Technologies** page helps you choose among various technologies (not just LMSs) using two approaches:

- Examples of learning outcomes, the kinds of learning activities that could achieve those outcomes, and how those activities could be supported by various learning technologies.
- Examples of the tools you may be interested in using and the types of activities and learning outcomes that are likely to be relevant.
